RARE SURGICAL OPERATION.-The London Caronicle's Vienna correspondeat reports a surgical triumph achieved by Dr. Schroetter. A twelve yearold boy swallowed a piece of lead the size of a half sovereigo. It passed the treches into a brouchu+ of the second order. Dr. Schroetter extracted it with-out performing tracheotomy or using anaesthetics. Nevertheless the opera-tion was painless. This is believed to have been the first time that such an operation was ever performed without a dangerous surgical operation.

The lead was located by means of the Roentgen rays at the height of the fourth rib. A Killan bronchoscop-was inserted and electrically lighted and the lead was extracted with a specially constructed pincette.

PERMANENT ALIMONY .- In the Equi y Court in Washington a day or two ago the suit of Mrs. Edith Allen Crump vs. Frank H. Crump came up on a motion for permanent alimony, and a decree was entered fixing the amount at \$42.50 a month for the present, with the understanding that a mction to increase the amount could be made in the future.

The Court of Appeals last week dis missed the appeal of the deferdant. Mrs. Crump is given custody of her two children-Edua and Gladys. Mr. Crump is at present employed by a rail-road at Wheeling, W. Va. Mrs. Crump is a daughter of Gen. Eigar Alian and formerly lived in this city .- [Richmond
